Special Qualifications and Skills: _____

Emergency Contact: _____

Signature: _____ Cost \$325.00 _____

If you are under the age of 18 please provide release form with parent or guardian signature

ERBA letter of Intent

This letter is an agreement between ERBA and participants in ERBA's in house guide training. ERBA created and is running this program to have a large diverse guide pool, with our guides as highly trained as possible.

ERBA's intent is not to create super guides in one season, but to develop safe skilled guides with strong group and risk management skills. Our in house training program is not an ACA or BCU recognized program and is not meant to replace them. We are training guides to suit the conditions typical in our area, and to suit the needs of our business and clientele. We will attempt to give you the foundation skills of sea kayaking and guiding. It is up to you to develop these skills with practice and experience. Not everyone that starts the program will finish, and not everyone will become a head guide at ERBA, at least not in one season. ERBA cannot guarantee employment if you complete this program. You will be required to do 4 unpaid tours and complete CPR and First Aid. We will try our best to fit all guide candidates into our schedule.

The fee is \$325.00 to be paid on application to the program.
